### Product Information

| Toilet Size (GPF) <sup>1</sup>     | Number of Toilets | Purchase Date | Product Cost    | Labor Cost | Incentive |
|------------------------------------|-------------------|---------------|-----------------|------------|-----------|
| 1.28 GPF or less replacing 3 GPF   |                   |               |                 |            | \$100     |
| 1.28 GPF or less replacing 1.6 GPF |                   |               |                 |            | \$70      |
|                                    | Manufacturer      |               | Model Number(s) |            |           |
| Old Toilet(s)                      |                   |               |                 |            |           |
| New Toilet(s)                      |                   |               |                 |            |           |

### Product Eligibility Requirements

- Retrofit must have lower GPF than pre-existing toilet and be less than or equal to 1.6 GPF.
- Program limited to number of bathrooms in home up to a maximum of 3 toilets per PUD water account.
- Proof of number of bathrooms in property must be provided. Example of proof may be from Zillow property listing, or marketing materials from original property purchase would qualify.
- Only properties built prior to 1992<sup>2</sup>, with original 3+ GPF toilets will qualify for the \$100 per toilet rebate.
- Photo of date stamp from inside toilet tank will be required in support of the \$100 per toilet rebate incentive.

### Program Terms & Conditions

- Equipment purchased more than 90 days prior to application or date of contractor invoice is not eligible.
- Upgrade must be completed within 90 days of receipt of rebate application.
- Applicant must be a current electric customer with an active TDPUD account to be eligible for electric rebates.
- Applicant must be a current water customer with an active TDPUD account to be eligible for water rebates.
- Application must include detailed and dated sales receipt(s), manufacturer/model number of eligible product(s) and/or service(s) clearly identified, including contractor's name with materials and labor itemized separately.
- Rebates are issued to the account holder in the form of a bill credit.<sup>3</sup>
- Payments are typically processed within 6-8 weeks of TDPUD receiving the rebate application.
- If account holder is a landlord and account is inactive at the time of rebate issuance, a check will be mailed to the landlord address on file.
- Rebate amount not to exceed the cost of equipment and installation charges.
- Sales tax does not qualify for rebate incentive.

***Application continued on reverse side***

<sup>1</sup> GPF = Gallons per flush

<sup>2</sup> In 1992 federal law (Energy Policy Act of 1992) mandated that all toilets sold in the United States use an average of 1.6 gallons per flush (GPF) or less. Toilets made during the period 1980 to 1992 use 3.5 GPF or more.

<sup>3</sup> If rebate credit amount exceeds \$700.00, credit will be issued as a one-time check payment.
