Purchase Date:		Installation Date:		
Installation Location (circle one below)	Equipment Cost	Labor Cost	Temp Set-Point (°F)	UEF
Indoors, Garage or Outdoors				

Old Water Heating System: Manufacturer	Model	Reason for Replacement	Old Tank Volume	Age [Yrs]

Equipment Eligibility

- Equipment must be new purchase and not used.
- Equipment must be Energy Star certified.
- Equipment must have a Uniform Energy Factor (UEF) ≥ 2.5
- Equipment must be installed by a licensed contractor.
- Installation must comply with current Town of Truckee building code.
- Gas line for old gas water heater must be capped off and a photo of this must be submitted with application.

Program Terms & Conditions

- Equipment purchased more than 90 days prior to application or date of contractor invoice is not eligible.
- Upgrade must be completed within 90 days of receipt of rebate application.
- Applicant must be a current electric customer with an active TDPUD account to be eligible for electric rebates.
- Applicant must be a current water customer with an active TDPUD account to be eligible for water rebates.
- Application must include detailed and dated sales receipt(s), manufacturer/model number of eligible product(s) and/or service(s) clearly identified, including contractor's name with materials and labor itemized separately.
- Rebates are issued to the account holder in the form of a bill credit.¹
- Payments are typically processed within 6-8 weeks of TDPUD receiving the rebate application.
- If account holder is a landlord and account is inactive at the time of rebate issuance, a check will be mailed to the landlord address on file.
- Rebate amount not to exceed the cost of equipment and installation charges.
- Sales tax does not qualify for rebate incentive.

Application continued on reverse side

¹ If rebate credit amount exceeds \$700.00, credit will be issued as a one-time check payment.
