## **Truckee Donner PUD Board Kicks -Off 2025**

### ***Board welcomes new members, selects officers, and prepares for 2025***

**Truckee, Calif. (Jan. 22, 2025)**—Truckee Donner Public Utility District held the first board meeting of the year on Jan. 15, which was the first meeting since the November election. Directors Courtney Murrell and Steve Randall joined the board as newly-elected members, while director Jeff Bender won re-election to his seat. Director Christa Finn was elected board president by her fellow directors, and director Tony Laliotis was elected board vice president.

“Thank you to my Truckee community who supported my rise to the TDPUD board of directors,” said TDPUD board director Courtney Murrell. “I am excited to engage with this board team, TDPUD staff and my community. I look forward to progress and achievements during my tenure on the board.”

The board adopted its 2025 meeting schedule, with monthly meetings on the first Wednesday through April. Beginning in May, meetings will be held twice monthly on the first and third Wednesdays. Details can be found at [www.tdpud.org/boardmeetings](http://www.tdpud.org/boardmeetings).

TDPUD’s first board meeting of the year also including the following highlights:

- 2024 was the second year in a row with no loss time accidents, reflecting the importance of safety in TPDUD’s culture and values. The board approved the 2025 safety incentive award in the amount of \$300 to each TDPUD employee.
- The board approved the new TDPUD Future Workforce Scholarship Fund developed by staff. TDPUD will work with the Tahoe Truckee Community Foundation to launch a slate of college degree scholarships and utility workforce/vocational scholarships in 2025. These scholarships are designed to grow the local workforce in order to help fill the important utility jobs that keep TDPUD’s electric and water utility charging forward. Visit [www.ttcf.net](http://www.ttcf.net) for scholarship details.
- TDPUD’s board set a public hearing for the regularly scheduled board meeting on Feb. 5, for the intent to update the Martis Valley Groundwater Management Plan. TDPUD, in collaboration with Northstar Community Services District and Placer County Water Agency, adopted the GMP to help manage and steward the essential groundwater

resources in the Martis Valley. The process to update and adopt a new GMP will last through June, and this is the first opportunity for the public to participate and provide input.

**About Truckee Donner PUD:**
