

CLARIFYING Response #1
RFP TDPUD Locate and Mark (USAN)

September 28, 2026

This Clarifying Response NO. 1 consists of 2 pages (8 - 8.5" x 11"). It is the responsibility of the proposer to assure and guarantee that the proposer has received the response in its entirety, and that they accept all conditions contained herein.

1. Given the tight turnaround for responses to questions with the RFP deadline of 9/30/26, would it be possible to have a one-week extension?
 - **We would prefer to stay on schedule**
2. Are all three facility types (electric, water & fiber) on all 5,500 tickets, meaning that the total locate count is closer to 16,500? If not, can you provide a breakdown of ticket counts by facility type and which facilities appear on the same tickets?
 - **One ticket per facility type. 5500 total tickets**
3. Will we be able to bill for renew tickets?
 - **Yes, See below**
 - **Renewal Tickets:** The Contractor may bill for Underground Service Alert of Northern California and Nevada (USA North 811) renewal tickets when the renewal requires Contractor review, administration, field verification, remarking, or other work necessary to maintain compliance. The Contractor shall identify a separate unit price for renewal tickets in its proposal. Renewal tickets requiring no field activity may be priced separately from renewal tickets requiring a field visit or remarking.
4. Does Truckee Donner intend to pre-screen any volume?
 - **No. The District does not intend to pre-screen ticket volume. The Contractor will be responsible for end-to-end management of the Underground Service Alert of Northern California and Nevada (USA North 811) process in accordance with the Request for Proposal (RFP) and Statement of Work (SOW).**
5. Please clarify what "District Requested Locate Ticket" means in attachment C and define it in the definitions. Will these follow the same requirements as the routine tickets?
 - **A "District Requested Locate Ticket" means an Underground Service Alert of Northern California and Nevada (USA North 811) ticket initiated by the District for District-related work. District Requested Locate Tickets will be submitted through the normal USA North 811 process and shall follow the same requirements, response standards, locating and marking practices, documentation requirements, and performance standards as other routine USA North 811 tickets.**

6. What is meant for payment to be 30 days after acceptance by the District? What is “acceptance”? *The customer receiving the invoice?*

- "Acceptance by the District" does not refer to receipt of the invoice by a customer. Acceptance means the District's review and approval of the invoice and verification that the invoiced services have been satisfactorily performed and appropriately documented in accordance with the contract requirements. Payment will be made in accordance with the payment terms established in the RFP and resulting agreement.
