

CALIFORNIA ENVIRONMENTAL QUALITY ACT NEGATIVE DECLARATION

The Truckee Donner Public Utility District (“District” or TDPUD) has completed an Initial Study (attached) of the possible environmental effects of the District’s Draft 2026 Electric System Master Plan (“Master Plan”) and has determined that the Master Plan does not constitute a project under CEQA. The District has prepared an Initial Study to support this determination. This determination has been made in accordance with the California Environmental Quality Act (CEQA) CEQA Guidelines §15378.

Project Title: 2026 Electric System Master Plan

Lead Agency: Truckee Donner Public Utility District

Project Location: Truckee, California and surrounding area. The Master Plan encompasses the District’s existing electrical system service area.
