

**NORTHWOODS SOUTH CONSTRUCTION SYSTEM HARDENING
ADDENDUM NO. 3**

This **Addendum #3** consists of 3 pages (all 8.5" x 11"). It is the responsibility of the bidder to assure and guarantee that by acknowledging the receipt of this Addendum that the Bidder has received the Addendum in its entirety and that the Bidder accepts all conditions contained herein. Acknowledge all Addenda in your bid submittal.

1. **Page 00030-1:** Removed quantities of work, added statement to refer to Bid Schedule A for quantities.
2. **Page 01010-2:** Removed quantities of work, added statement to refer to Bid Schedule A for quantities.
3. The **“Work”** Description on publications and postings should refer to Bid Schedule A for quantities.

Section 00030 – Notice to Bidders

Notice is hereby given that the Board of Directors of **Truckee Donner Public Utility District**, Nevada County, California, herein referred to as the **DISTRICT**, will receive sealed bids at the District office, 11570 Donner Pass Road, Truckee, California 96161 until **3:00 PM, Monday, June 15, 2026**, at which time they shall be opened and publicly read for:

DISTRICT - System Hardening (SRIP 6)

The WORK of this Contract comprises rebuilding facilities of the following:

- Pole Replacements (Wood to Metal)
- 4 wire 397.5 reconductor (Bare to Tree Wire)
- 4 wire 1/0 reconductor (Bare to Tree Wire)
- Install/Replace Anchors
- Ancillary items such as crossarms, insulators, transferring existing electrical equipment

Bidding Documents are provided to prospective Bidders to enable them to prepare a Bid. Documents required to be submitted with the Bid are identified in Section 00100 – Instructions to Bidders. Refer to Bid Schedule A for quantities of WORK.

This project is a public works project and is subject to compliance monitoring and enforcement by the **California Department of Industrial Relations (DIR)**, in accordance with the California Labor Code Section 1770, et seq.

No contractor or subcontractor may be listed on a bid for a public works project and no contractor or subcontractor may be awarded a contract for public works unless registered with the DIR, pursuant to Labor Code Section 1725.5.

The successful Bidder shall not pay less than the **prevailing rate of per diem wages** as determined by the Director of the DIR. Copies of the prevailing rate of per diem wages are on file with the DISTRICT and may also be found on the DIR website at: www.dir.ca.gov/dlsr/statistics_research.html. Questions pertaining to predetermined wage rates should be directed to the California Division of Labor Statistics and Research.

No bid will be considered unless it is made on the form provided and accompanied by a **Certified Check, Cashier's Check, or Bidder's Bond** for 10% of the amount of the Bid, made payable to the "Truckee Donner Public Utility District". The above-mentioned check or bid bond shall be given as a guarantee that the Bidder executes the Contract, if awarded, in conformity with the Contract Documents. If a Bidder's Bond is used, the bond shall be conditioned such that the Bidder will pay the DISTRICT as liquidated damages the amount specified in the bond unless it enters into a Contract in accordance with its Bid and furnishes **Performance and Payment Bonds** as described below.

Within 15 days after notification of the Award of the Contract, the successful Bidder will be required to furnish **Performance and Payment Bonds** in an amount equal to **100% of the**

- Pole Replacements (Wood to Metal)
 - 4 wire 397.5 reductor (Bare to Tree Wire)
 - 4 wire 1/0 reductor (Bare to Tree Wire)
 - Install/Replace Anchors
 - Ancillary items such as crossarms, insulators, transfer existing electrical equipment
- B. Provide temporary buildings, trailers, or structures required for the CONTRACTOR's Work, including offices, a telephone, sanitary facilities, office equipment, furniture, and other items necessary for the performance of Work.
- C. Coordinate with the DISTRICT in the development of outdoor storage space, parking areas and construction site offices. These areas are to be developed in close proximity to the Work area and shall not impinge in any way on property not owned by the DISTRICT. The jobsite may offer limited storage or staging areas. The CONTRACTOR shall be responsible for the cost of any offsite storage or staging areas. The work site is located next to residential areas, and the CONTRACTOR shall be responsible for management of roadways, noise and dust in compliance with all local codes.
- D. Provide a secured area for storage of tools, equipment, and materials to be installed or used in the installation of Work. The CONTRACTOR shall be responsible for all items until accepted by the DISTRICT in conformance with the Contract Documents.
- E. Provide weather protection, including temporary heat, electric power, plastic coverings, or other items required for the protection of materials for installation, or being installed on site, until the work is accepted by the DISTRICT.
- F. Furnish and erect or install any staging, shoring, bracing, temporary steel, and any and all falsework of any character whatsoever necessary for the execution of the CONTRACTOR's Work. Include any relocation of equipment and all such items that shall be furnished, placed, and removed by the CONTRACTOR.
- G. Provide in the Work areas, in close proximity to the Work, fire extinguishers or sufficient size and quantity satisfactory to the DISTRICT and the local Fire Department.
- H. Furnish and maintain the required traffic controls, safety barricades, signage, and any other necessary safety devices. Prepare and implement a safety plan. Provide a copy to the DISTRICT.
- I. Perform site revegetation and appurtenant work specific to any disturbed vegetation that requires replacement as part of site restoration, complete in place, satisfactory to the DISTRICT. All work will be completed in compliance with Section 02900.
