

# MARTIS VALLEY SUBSTATION MODERNIZATION - 2026

## ADDENDUM # 1

This **Addendum # 1** consists of 1 pages (8 ½ x 11). It is the responsibility of Bidder to assure and guarantee by acknowledging the receipt of this Addendum that the Bidder has received the addendum in its entirety and that the Bidder accepts all conditions contained herein. **Acknowledge this addendum in your bid submittal.**

---

1. The following language is added to Bid Section 00100 – Instructions to Bidders, Section 10 – Bidder Qualifications:
  - B. Bidders shall have a minimum of five (5) years of experience in the construction or rebuild of electrical substations of similar or greater size.
    1. Bidders shall document at least five (5) projects in the past five (5) years in which they were the primary contractor in the rebuild of an existing substation or construction of a new substation. Include this experience in the Experience Statement in Section 00300 – Bid Forms.
    2. Bidders shall provide a reference for each of the projects. Include name, position, email and phone number. Include this information in the Experience Statement in Section 00300 – Bid Forms.
  - C. Bidders shall not subcontract greater than 50% of this project's work, as determined by the values submitted on the Subcontractor form and the values submitted on the bid schedule for the work that the subcontractor is responsible for.
