

# TDPUD Water Leak Rebate

The Water Leak Repair Rebate is intended to help customers offset the cost of locating and repairing a leak that requires the service of a licensed plumbing contractor. You may be eligible for a rebate of up to \$200. Rebate credit may not exceed amount of invoice.

	Invoice Amount	Rebate
Minimum Rebate Amount	\$100	\$100
Up to 50% cost; \$200 maximum	\$400	\$200

## Did you Know?

### Common Water Leak Culprits:

- Line from Water Meter to House
- Irrigation Systems
- Water Heaters
- Toilets & Faucets
- Improperly Seated Stop and Drain Valves

### Keep in Mind:

- You may have more than one leak

### Listen:

- You may be able to hear a leak by placing your ear on an exposed fixture or section of pipes

**Toilet Leak Tablets are available at TDPUD**
